## **PUBLIC PARTICIPATION**

NMED announces the extension of the **January 20, 2017**. Any person who wishes to comment on this action or request a public hearing should submit written or electronic mail (e-mail) comments with the commenter's name and address to the address below. Only comments and hearing requests received on or before **5:00 p.m. MST, January 20, 2017** will be considered. Written comments may be sent to:

Dave Cobrain, Program Manager  
Hazardous Waste Bureau - New Mexico Environment Department  
2905 Rodeo Park Drive East, Building 1  
Santa Fe, NM 87505-6303  
Ref: Triassic Park Draft Permit Public Comments  
Email: dave.cobrain@state.nm.us

Written comments must be based on the information available for review and include, to the extent practicable, all referenced factual materials. Documents in the administrative record need not be re-submitted if expressly referenced by the commenter. Requests for a Public Hearing shall provide: (1) a clear and concise factual statement of the nature and scope of the interest of the person requesting the hearing; (2) the name and address of all persons whom the requester represents; (3) a statement of any objections to the draft permit; and (4) a statement of the issues which the commenter proposes to raise for consideration at the hearing. NMED will provide a minimum 30 day notice of a Public Hearing, if scheduled.

NMED must ensure that the draft permit is consistent with the New Mexico Hazardous Waste Management Regulations. All written comments submitted will be considered in formulating a final decision and may result in NMED modifying the draft permit. NMED will respond in writing to all public comments received. This response will specify which provisions, if any, of the draft permit have been changed in the final decision and the reasons for the change, and will provide a brief description of all public comments. All persons presenting written comments or who request notification in writing will be notified of the decision by mail. The final decision also will be posted on the NMED website.

After consideration of all the written public comments received, NMED will issue or modify and issue the draft permit. If NMED modifies the draft permit, NMED will provide to the Permittee a copy of the modified draft permit and a detailed written statement containing the reasons for the modifications by mail.

NMED will make the final decision publicly available and will notify the Permittee by certified mail. The final decision will constitute a final agency decision and may be appealed as provided by the HWA.
