TRIASSIC PARK DISPOSAL FACILITY  
EPA ID# NM0001002484  
TPDF-12-001**

Dear Mr. Gandy:

The New Mexico Environment Department (NMED) has received the Gandy Marley Inc.'s (the Permittee's) Extension Request for submittal of documents associated with the Part A and B Permit Renewal Application for the Triassic Park Waste Disposal Facility (Renewal Application) dated July 2, 2013, sent via Daniel B. Stephens & Associates, Inc. (DBS&A). NMED hereby approves the requested extension.

NMED sent a disapproval letter for the Renewal Application to the Permittee on February 5, 2013. The Permittee was directed to submit a revised Renewal Application and response to all comments by July 5, 2013. The Permittee cites major staff changes and associated extenuating circumstances for the reason for extension. The submittal date for the documents has been extended to July 19, 2013.
