HWB-LANL-MISC**

Dear Messrs. Maggiore and Mousseau:

On June 27, 2014, the New Mexico Environment Department (NMED) sent to the U.S. Department of Energy (DOE) and the Los Alamos National Security, L.L.C. (collectively, the "Permittees") a list of submittals proposed to be subject to stipulated penalties in federal fiscal year (FFY) 2015 under the March 1, 2005 Consent Order (Order). Section III.G.1 of the Order requires that the Permittees and NMED confer on the proposed stipulated penalties list for the upcoming FFY on or before June 30th.

In an email dated July 1, 2014, the Permittees provided an alternate list of proposed documents to be subject to stipulated penalties for FFY 2015. NMED has reviewed the Permittees' proposed list and modified the list of documents subject to stipulated penalties in FFY 2015.

In accordance with Section III.G.1 of the Order, NMED transmits the attached finalized list of documents subject to stipulated penalties for FFY 2015 to the Permittees.

Messrs. Maggiore and Mousseau
