**Subject:** LANL Cleanup: Revised Consent Order  
**Date:** Thursday, May 12, 2016 11:02:19 PM

---

**Withdraw this draft**

- This draft represents a big step backwards in achieving the goal of genuine, comprehensive cleanup of the Laboratory.
- The Environment Department should keep the current 2005 Consent Order with necessary revisions to the cleanup schedule.
- I request that the Environment Department withdraw this draft Consent Order.
