Re: Extension Request
Triassic Park Permit Renewal Application

Dear Mr. Kieling:

Daniel B. Stephens & Associates, Inc. (DBS&A) is requesting an extension of time for submittal of documents associated with the *Part A and B Permit Renewal Application for the Triassic Park Waste Disposal Facility*. Although documents will likely be submitted sooner, DBS&A requests that the submittal date be extended from July 5 to July 19, 2013 due to major staff changes and associated extenuating circumstances.

Please do not hesitate to call me at (505) 822-9400 if you have any questions or require additional information.

Sincerely,

DANIEL B. STEPHENS & ASSOCIATES, INC.
