-NOTICE-

March 14, 2014

Rejection of Proposals and Cancellation Request for Proposal Number: 14-667-00-0001

TITLE: WASTE ISOLATION PILOT PLANT (WIPP) TECHNICAL AND REGULATORY SUPPORT

PURPOSE: Pursuant to 1.4.1.70.B NMAC, the State of New Mexico Environment Department (Agency) is rejecting all received proposals and canceling all remaining actions listed in the Sequence of Events for Request for Proposal (RFP) 14-667-00-0001, to include the Selection of Finalists from current proposal submissions.

The Agency has decided that the scope of work provided in the original RFP did not adequately reflect the Agency's project needs or the work to be required. Because of this, the RFP contained ambiguous or otherwise inadequate specifications. Therefore, continuing with the current RFP process would not be the best interest of the State of New Mexico.

The Agency will be re-issuing an updated RFP.
