

**1. Are respondents specifically NOT to discuss information gathered during the course of investigations at Bar F 22?**

Proposers are not specifically directed NOT to discuss information gathered during the course of the investigations at Bar F 22.

**2. Will a respondent be considered non-responsive or otherwise penalized if they discuss the Bar F 22 site? If so, why?**

Proposers will not be considered non-responsive or penalized for discussing the Bar F 22 site. The New Mexico Environment Department (Department) recommends that proposers review the data available for copying at Kinko's before submitting questions.
