Dear Mr. Goldstein:

I am pleased to enclose the final report from our review of NMED's Air and Hazardous Waste enforcement programs. It marks the successful completion of the second NMED review using the Review Framework developed by the Environmental Council of States and EPA. We appreciate your leadership in this and I want to especially acknowledge the help and support of Mary Uhl, Debra McElroy and Art Vollmer.

I hope that you will find this report to be a useful tool in managing and assessing your enforcement program. Please contact me at blevins.john@epa.gov, (214) 665-2210 or Mark Potts at potts.mark@epa.gov, (214) 665-2723, if you have any questions.

Sincerely,
