## **Environment Department to Hold Corrales Air Study Public Meeting**

(Santa Fe, NM) — On Thursday, March 6 the New Mexico Environment Department's Air Quality Bureau will host a public meeting from 6:00 to 9:00 pm at the old church in Corrales. This meeting is being held to respond to follow-up questions generated by community members at a similar meeting on February 13.

Representatives from Intel and the NMED's Air Quality Bureau will be present at this meeting answer questions concerning the Department's Corrales Air Study. Richard Goodyear of NMED will also present Intel's request for Technical Revision (Rev. 8 6) to Permit No. 325-M-9. The public is invited to attend.

Background on the Corrales project can be seen on the Internet at
