**Field Trip:** A field trip to the San Juan Generating Station to see implementation of the environmental upgrades at units 3 & 4 is planned for the morning following the meeting (Thursday, August 21). We will meet at the Farmington Field Office BLM parking lot at 10:30 am and then caravan to the plant. Those interested in participating in the field trip should contact Mark Jones of the New Mexico Environment Department at 505-327-6854, ([mark.jones@state.nm.us](mailto:mark.jones@state.nm.us)). All field trip participants need to wear long pants and boots, other required safety gear will be provided. Please RSVP and let Mark Jones know if you plan on participating in the field trip no later than August 15, 2008.
