Subject: Ochoa Mine permit

Hi Cember,

I believe you were working on the Ochoa Mine permit? It was ruled administratively complete on 12/13/2014. It is a PSD permit. I think the permit is PSD5384. I have a client that is interested in any public meeting, notices etc , list that they need to be on regarding this facility. They have asked me to submit a FOIA request and to reach out to you to see if I can be added to future e-mails regarding any of the above mentioned public meeting, notices etc . Please contact me if you have any questions and to confirm that I can be added to future notifications regarding this application.

Regards,

Adam
