

PUBLIC NOTICE
For
Air Quality Operating Permit
for Camino Real Landfill of Camino Real Environmental Center

Camino Real Environmental Center at PO Box 580; Sunland Park, NM 88063 has submitted an air quality operating permit application to the New Mexico Environment Department (NMED) for an air quality operating permit for its Camino Real Landfill. The owner of this plant is Camino Real Environmental Center. The exact location of the facility is at latitude 31 deg, 47 min, 21.8696 sec and longitude -106 deg, 35 min, 41.1894 sec. To aid in locating this facility, the approximate location is 2 miles SW of the airport in Sunland Park, in Dona Ana County, New Mexico. This application file has been assigned an Operating Permit Number P186L-R2M1 and TEMPO Agency Interest ID No. 167.

Previously, the plant received an air quality construction permit and is in operation. The main purpose of the plant is to landfill municipal solid waste.

This operating permit application is for a permit modification. Per 20.2.70.401.C.(4) NMAC, this permitting action involves removing the NSPS WWS requirement for a Gas Collection System since it was proven that the facility had not triggered the 50 mg of NMOCs emissions. The system will remain in place and can be operated on a as needed basis.

There are no changes in emissions in this permitting action.

The NMED has conducted a preliminary review of the information submitted with the permit application. This review included evaluation of the emission rates and applicable requirements to determine compliance status.

The NMED has made a preliminary determination that this plant will comply with the requirements of Title 20, New Mexico Administrative Code (NMAC), Chapter 2, Parts 7, 61, 70, 71, 72, and 73; 40 CFR 50; 40 CFR 60 Subparts WWS; 40 CFR 63 Subparts AAAA; and the New Mexico Air Quality Control Act. Therefore, the preliminary intent of NMED is to issue the air quality operating permit on or before June 5, 2013.

Interested persons may obtain the draft operating permit, submit written comments, or request a public hearing on Operating Permit Number P186L-R2M1. Contact the New Mexico Environment Department, Air Quality Bureau, Operating Permit Unit, 1301 Siler Rd, Bldg B, Santa Fe, New Mexico 87507-3113.

Written requests for public hearing must state the nature of the issues proposed to be raised in the hearing. Comments must be based on the requirements of the applicable state and federal air quality regulations and the Clean Air Act. Comments or hearing requests must be received within 30 days after the public notice is published.

The permit application, draft permit and relevant supporting materials are currently available for review at the Air Quality Bureau, Operating Permits Unit, 1301 Siler, Bldg B, Santa Fe, New Mexico 87507-3113. The Department contact in Santa Fe is Joseph Kimbrell at 505-476-4347.
