CTFP-ARCS User Invoice Payments Guidance

Introduction

The Clean Transportation Fuel Program (CTFP) is New Mexico's market-based program designed to reduce the carbon intensity (CI) of transportation fuels supplied and used in the state.

The CTFP ARCS (CTFP-ARCS) supports regulated entities in complying with the rule (20.2.92 NMAC)¹ by providing an online platform for fuel registration, reporting, and credit banking and transfer.

As part of the program registration process, NMED staff will generate an invoice. Once the invoice has been issued, the user will receive an email notification. External users are required to complete payment before NMED can review and approve the registration. More specifically, the user will receive two emails prior to registration approval:

- An **invoice notification email** from the CTFP-ARCS system (from DoNotReply@env.nm.gov) indicating that an invoice has been generated for your organization and providing basic invoice details (e.g., invoice number, amount, and due date).
- A **separate email from the eBill system (Wells Fargo)** containing instructions and a link to complete payment.

If you do not receive these emails, please check your spam or junk folder.

After payment is submitted, NMED staff will review the invoice payment. If the payment is rejected, a new invoice will be generated, and the user will be notified to resubmit payment. If the payment is approved, NMED will proceed with reviewing the registration.

If the registration is approved, NMED will proceed with activating the organization account. Confirmation emails will be sent to the registered primary administrator from DoNotReply@env.nm.gov. If you do not receive your confirmation emails, please check

your spam or junk folder. Please do not reply to this email address as it is not monitored. Instead, any questions can be directed to CTFP.ARCS@env.nm.gov.

If the registration is not approved, an email notification will be sent explaining the outstanding issue(s) or missing information. The email will also include a temporary password so you can log in, address the comments provided by NMED staff, and resubmit your application for further review.

This guide provides step-by-step instructions for enrolling, logging in, and making payments in the eBill system. For technical assistance during any step, please contact NMED Staff at CTFP.ARCS@env.nm.gov.
