WHAT TO DO

After Registration and payment has been received, you will be sent an email link to join the webex training to the email provided above. Please make sure your email is legible and not blocked. You will be sent a reminder you have registered a week before, the day before and the morning of the training.

ON THE DAY OF TRAINING

Click on the link that has been sent to you at least 30 minutes before the class begins in order to avoid issues. Click on join. This should take you straight to the training. Out of respect for everyone attending, please **mute** your microphones so we don't hear background noise. Unmute **only** if you have a question for the Instructor.

HOW ATTENDANCE WILL BE TRACKED

Once you have joined in **we ask all attendees to access the chat function and enter your Name and Email**. This is one way we will track your attendance for credit and certificate. If you are unable to log in and are calling in, please send an email to rtnmwwa@gmail.com with your name. Use (2020 Fred Ragsdale Central School September 14-17, 2020 School) in the **subject line**.

AFTER THE TRAINING

After the training, we ask that everyone take a minute and leave comments or any feedback about the training. This will also help keep record for NMED to show you were engaged during the training. Keep all chats professional. A certificate will be emailed to you and credits will be submitted to NMED.
