***Analyte Group Names**

HM = heavy metals		Pb/Cu = lead and copper	E = E. coli enumeration	IO = inorganics (NIT, FLU, CYA)
SOC = synthetic organic chemicals		DBP = disinfection byproducts	A = asbestos	PFAS = Per- and Polyfluoroalkyl Substances
VOC = volatile organic chemicals		SUR= Cryptosporidium, Giardia, MPA	DI = dioxin	
RAD = radiologicals		M = microbiological	SD = secondaries	

Laboratory has submitted an application to New Mexico Drinking Water Laboratory Certification Program. Certification renewal is in progress. Lab is "Provisionally Certified" at this time.

** Laboratories listed as "N" are not on contract with NMED-DWB and may not submit invoices for payment of sample analyses. Systems utilizing labs which are not under contract with NMED-DWB are responsible for payment of services.

Not on contract for analytes/groups highlighted in red.
