6. **Daily Updates:** Daily Updates have been provided since June 26,2016.

Today's information not included in other Order numbers:

- A. Boil Advisory still in effect
- B. System is functioning. Mesa Heights 3 million gallon tank is about 90% and Star Heights is full. The treatment plant has been shut down since 8am last Thursday. The Temporary pump was off about 4 hours to make permanent connections to the permanent pump station. We will continue to monitor the tank levels but we do not anticipate having to restart the treatment plant. Temporary pump continues to pump at about 300gpm into the upper system.
7. **Farmington Interconnect:** Wildflower portion continues to be connected to Farmington. A temporary pump has pumped 150 gpm from July 1-7 and +- 300 gpm from July 7- present into the upper system.
