

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
1	Tucumcari	Quay		A	66	\$3,250,000	Replace the water storage tanks at the Metropolitan Park and the Hoover well fields, replaced the transmission line from both well fields, rehabilitate old off-line wells. This will allow city to blend more high-quality water to lower Uranium levels.
2	Desert Sands MDWCA	Dona Ana		A	57	\$600,000	Installatin of arsenic treatment at Well #4 and possibly Well #2.
3	Bayard Municipal Water System	Grant		A	64	\$200,000	Construction of a water main at Cameron Creek intersection, lead abatement and demolition of an anandoned water storage tank, lead abatement and refurbishing of an old water storage tank.
4	Floyd, Village of	Roosevelt		A	79	\$250,000	Install a treatment system for Fluoride and Arsenic.
5	Bernalillo, Town of	Sandoval		A	90	\$5,000,000	Install Arsenic treatment at Well #1.
6	Talpa MDWCA	Taos		A	76	\$132,000	Replace a substandard 2" water line.
7	Dona Ana MDWCA	Dona Ana		A	80	\$450,000	Increase the size of the transmission line from the east to the west side of I-25, increase the size of the transmission line on the east side of I-25, renovation of the northern water storage tanks.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
8	San Jon	Quay		A	67	\$1,100,000	Replace transmission line.
9	Lumberton MDWCA	Rio Arriba		A	79	\$330,000	Replace old water lines, new master meter, reconstruct inflow to treatment plant.
10	West Rim MDWCA	Taos	Y	A	73	\$106,500	Add second pump to tank with low flow dispenser, install photovoltaic system to increase energy independence, purchase modular building to house PV batteries and other electrical and house low flow dispenser
11	Carlsbad	Eddy		A	90	\$1,954,070	Replace approximately 18,000' of 8" and 4" waterline along Canal Street from Pompa Street to East Pierce Street, installation of tie-ins to other waterlines along the 9,000 feet of roadway which is scheduled for reconstruction following the installation
12	Los Lunas Water System	Valencia		A	106	\$5,406,000	Install coagulation/filtration treatment systems at each of four water supply wells to address high Arsenic levels.
13	El Prado WSD	Taos		A	72	\$1,000,000	Complete new Well #3, complete transmission line from the new well to storage, construct a new water storage tank, complete distribution looping project to eliminate all dead ends.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
14	Farmington	San Juan		A	110	\$1,388,800	The Animas Street Waterline Project will replace approximately 6,200' of 4" and 6" waterline with 12" waterline.
15	Canjilon MDWCA	Rio Arriba		A	82	\$584,437	Drill supplemental water supply well, treatment system for Iron and Manganese and building to house treatment system.
16	Los Ojos MDWCA	Rio Arriba		A	86	\$200,000	Extend water system distribution to the remain members, install meters at these connections.
17	Carnuel MDWCA	Bernalillo		A	111	\$2,000,000	Construct Phase II of the ABCWUA extension to Carnuel consisting of constructing a 500,000 gal storage reservoir, a pump station and distribution lines.
18	Ruidoso, Village of	Lincoln		A	109	\$300,000	Install 3,500' of new water line and pumping station to connect an existing water storage tank near the airport to the existing distribution at the airport.
19	Greater Chimayo MDWCA	Rio Arriba		A	120	\$800,000	Extend 12" transmission to existing El Llano water system.
20	Rio Rancho	Sandoval		A	138	\$2,312,587	Install reverse osmosis treatment for Well 12 which has high TDS.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
21	Santa Fe, City of	Santa Fe	Y	A	118	\$500,000	Increase the current rebate program to promote water conservation technologies to high water-use businesses.
22	Albuquerque-Bernalillo County Water Utility Authority	Bernalillo	Y	A	111	\$156,825	Replace 1,086 high-flow toilets and 281 high-flow urinals with high-efficiency fixtures in all City of Albuquerque facilities. This is anticipated to save as much as 9,600,000 gallons per year.
23	Albuquerque-Bernalillo County Water Utility Authority	Bernalillo	Y	A	111	\$414,000	Water use efficiency baseline study and high efficiency retrofit analysis.
24	Albuquerque-Bernalillo County Water Utility Authority	Bernalillo	Y	A	111	\$200,000	Expand ABCWUA's leak detection system to cover an additional 5% of the distribution system.
25	Lordsburg	Hidalgo		B	62	\$1,200,000	Install new 1 million gal water storage tank, refurbish existing 2.5 million gal water storage tank, replace 5000' of water main.
26	Thoreau W&SD	McKinley		B	86	\$600,000	Install a water supply well to replace Well #2 which is failing. Also required is a pump house, controls and connection to the distribution system.
27	Trout Mountain Water Association	Grant		B	76	\$100,000	Drill a new well to replace system's failing well.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
28	Ensenada MDWCA	Rio Arriba		B	88	\$300,000	Replace deteriorating and undersized galvanized distribution system along county Road 328 with 6" PVC, install meters at all connections, install a new 80,000 gal water storage tank, rehab existing well, construct booster station and construct a new pump
29	Questa	Taos		B	69	\$2,470,000	Replace 26 miles of distribution with new 4, 6, 8 PVC.
30	Socorro, City of	Socorro		B	66	\$3,500,000	Install Arsenic treatment at two sources impacted by elevated Arsenic.
31	Hurley, Town of	Grant		B	80	\$50,000	Replace 48 water meters and boxes.
32	Truth or Consequences	Sierra		B	62	\$1,000,000	Repair a bulge in a water storage tank.
33	Cumberland Water Coop	Chaves		B	80	\$25,000	Rehab existing water storage tank.
34	Bluewater WSD	Cibola		B	83	\$107,100	Replace existing meters with new meters.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
35	Bosque Gardens MDWCA	Valencia	Y	B	129	\$55,200	Install radio-read meters.
36	Canones MDWCA	Rio Arriba		B	88	\$100,000	Reconnection of customers to newly replaced distribution system.
37	Belen Water System	Valencia		B	78	\$1,415,000	Replace an old 1 million gal water storage tank.
38	Cerro MDWCA	Taos		B	69	\$100,000	Reconnection of customers to newly replaced distribution system.
39	UNM	Bernalillo	Y	B	111	\$1,570,000	Install radio read meters, replace 5,300' of old 8" water line with new concrete lined ductile iron pipe.
40	Lifeway Glorieta	Santa Fe		B	92	\$457,000	Rehab two 500,000 gallon water storage tanks, install new transfer valves and control valves.
41	San Rafael W&S	Cibola		B	90	\$420,000	Distribution system replacement.
42	Santa Rosa	Guadalupe		B	73	\$522,633	Replace 950 water meters with radio-read meters, central radio repeater station, base server and management software.,

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
43	Timberon Water & Sanitation District	Otero		B	72	\$264,000	Install SCADA system, replace broken security fencing.
44	Lumberton MDWCA	Rio Arriba	Y	B	79	\$300,000	Well/tank feedback to ensure pump turns on and off based on water level in the tank. This will prevent frequent tank overflow.
45	Columbus Water System	Luna		B	40	\$200,000	Replace approximately 600 old meters with radio read meters.
46	McKinley County	McKinley		B	64	\$620,440	Radio-read meters for White Cliffs MDWCA, Coal Basin MDWCA, Ya-Ta-Hey W&S, Gamarco W&S and Thoreau W&S.
47	Organ Water & Sewer Assoc	Dona Ana		B	132	\$30,000	Replace well pump and pump motor.
48	Milan, Village of	Cibola		B	72	\$100,000	Install approximately 400 radio read meters to complete the upgrade to a radio read system.
49	Anthony Water & Sanitation District	Dona Ana		B	66	\$1,000,000	Install radio read meter system including replacement of 2,500 old meters with radio read meters.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
50	Raton	Colfax		B	79	\$3,750,000	Construct a new 2.5 MGD surface water treatment facility to treat water from Eagle Nest Lake.
51	Mesa Development Center Inc.	Dona Ana		B	82	\$137,000	Install new water supply well.
52	Mesa Development Center Inc.	Dona Ana		B	82	\$80,000	Extend water storage tank from 16' to 32' tall, extend ladder and overflow.
53	Alto North Water Coop	Lincoln		B	109	\$180,000	Replace two 8,500 gal water storage tanks and install one new tank.
54	High Sierra Water MDWCA	Lincoln		B	86	\$21,500	Replace 45 old meters, replace pump, meter and pipe in one of the system wells.
55	Dona Ana MDWCA	Dona Ana		B	80	\$1,900,000	Replace 3,800 old meters with readio read meters.
56	Canjilon MDWCA	Rio Arriba		B	82	\$70,740	Replace 190 old water meters with radio read meters.
57	Hillsboro MDWCA	Sierra	Y	B	0	\$75,000	Photovoltaic system to power water supply wells.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
58	Tres Piedras MDWCA	Taos	Y	B	88	\$38,000	Install a 4 KW grid-tied photovoltaic system to run water pump and other electrical needs.
59	Hollywood Ranch MDWCA	Guadalupe		B	78	\$250,000	Install 47,000' of 6" distribution, booster station, 40,000 gallon water storage tank, fire hydrants. This is for a new water system to serve 40 existing homes.
60	Dona Ana County Utilities	Dona Ana		B	59	\$1,345,406	Equip an existing well for production including pump, disinfection, well house and piping.
61	Deming, City of	Luna		B	59	\$400,000	Extend distribution to north Deming and to service a proposed industrial park.
62	Silver City Water System	Grant		B	76	\$459,000	Installation of a SCADA system.
63	Lifeway Glorieta	Santa Fe	Y	B	92	\$13,000	Install water meters at all connections. System is currently unmetred.
64	Red River Water System	Taos		B	93	\$125,000	Install radio interface metering system including 700 new meters.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
65	Bosque Farms Water Supply	Valencia		B	129	\$500,000	Replace old meters with radio read meters.
66	Bloomfield Water Supply System	San Juan		B	96	\$1,325,197	Install Advanced Metering Infrastructure equipment and replace 3,000 old meters with radio read meters.
67	Rio Chiquito MDWCA	Rio Arriba	Y	B	93	\$88,000	Install meters at all connections. The system is currently unmetered.
68	Glorieta MDWCA	Santa Fe	Y	B	92	\$40,000	Install meters for all 41 customers.
69	Glorieta Estates Water Coop	Santa Fe	Y	B	92	\$40,000	Install water meters at all connections.
70	Artesia	Eddy		B	94	\$1,000,000	Install a new water supply well and connect to distribution system.
71	Sierra Los Pinos POA	Sandoval	Y	B	108	\$250,000	Add radio read meters.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
72	Sierra Vista South Water Cooperative	Bernalillo	Y	B	179	\$43,000	Install a second master meter so that both wells have dedicated meters, install a grid-tied photovoltaic system on the water storage tank.
73	Mesilla Mesilla	Dona Ana		B	124	\$431,508	Extending and looping waterlines in the Los Arenalles and Valle Grande service areas.
74	Organ Water & Sewer Assoc	Dona Ana	Y	B	132	\$40,000	Install photovoltaic system to offset high energy costs.
75	Eldorado WSD	Santa Fe		B	205	\$200,000	Replace 1,000 water meters with radio-read meters.
76	Cloudcroft Water System	Otero	Y	B	120	\$200,000	Installation of a photovoltaic system to generate on average 50 kWh/day of electricity to offset the energy demands of the new potable reuse project.
77	Taos Ski Valley, Village of	Taos	Y	B	198	\$42,500	Purchase and install leak detection equipment.
78	El Vadito de Los Cerrillos MDWCA	Santa Fe		B	230	\$11,500	Security fencing for a water storage tank, improve dispenser at fill station.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
79	New Mexico American Water (Edgewood)	Santa Fe		B	124	\$540,000	Replace 3,000' of aging 6" transmission line with 12" line.
80	Rolling Hills WUA	Otero	Y	B	113	\$18,000	Install photovoltaic system to suppliment energy needs and to serve as backup power supply.
81	Farmington	San Juan		B	110	\$1,260,000	Replace approximately 3,500 old water meters with radio-read meters.
82	Santa Fe, City of	Santa Fe	Y	B	118	\$250,000	Instrumentation and monitoring of 20 pumping sites to monitor energy usage to determine possible efficiencies.
83	Santa Fe, City of	Santa Fe	Y	B	118	\$140,000	Modify electrical system at the Buckman Direct Diversion surface water project to accommodate a power provided by a planed photovoltaic systems.
84	Santa Fe, City of	Santa Fe	Y	B	118	\$550,000	Construct a micro-hydroelectric generation facility downstream of the surface water treatment plant to take advantage of a head gradient in the existing transmission line. This project would offset approximately half of the power consumed by the treatmen

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
85	Santa Fe, City of	Santa Fe	Y	B	118	\$125,000	Installation of a water harvesting system at the City of Santa Fe Water Division and Water Conservation Office for demonstration purposes.
86	La Luz MDWCA	Otero		C	84	\$1,100,000	Rehab surface water treatment system, replacement of remaining small diameter distribution.
87	Tecolote MDWCA	San Miguel		C	71	\$150,000	Replace a portion of the distribution system, replace water pump, replace electrical system, replace chlorination system with automated unit, install meters.
88	Espanola Water System	Rio Arriba		C	80	\$2,000,000	Replace tank 1-A, replace booster pump.
89	La Union MDWCA	Dona Ana		C	66	\$1,300,000	Well construction, install a new 250,000 gallon water storage tank, rehab an existing water storage tank, extend the existing distribution sytem 3 miles.
90	Sangre de Cristo MDWCA	Guadalupe		C	47	\$170,000	Install 4" and 6" waterline, install meters, install new water storage tank, hydrants and valves.
91	Coyote Creek MDWCA	Catron		C	70	\$3,584,000	Installation of two 80,000 gallon water storage tanks, booster pump and 2.6 miles of transmission line to fill one of the tanks,21 miles of new distribution system with 200 fire hydrants.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
92	Nogal MDWCA	Lincoln		C	86	\$1,045,000	Surface water treatment plant, Add a second water storage tank, rehab existing water storage tank, replacement of portions of distribution system.
93	Dona Ana County Utilities	Dona Ana		C	59	\$17,726,623	Construct an Arsenic treatment facility.
94	Jemez Springs Domestic Water Coop	Sandoval		C	108	\$300,000	Drill a new water supply well. This well will hopefully supply water with low Arsenic levels to blend with the system's existing sources to lower the over all Arsenic concentrations.
95	Truth or Consequences	Sierra		C	62	\$1,000,000	Replace 6 miles of old failing water line.
96	Alto Lakes WSD	Lincoln		C	109	\$5,030,000	Replace/upgrade 30 pressure reducing stations, replace distribution backbone with 8" PVC, replace 63,070' of old and undersized water lines with 6" water line, add 112 fire hydrants.
97	Timberon Water & Sanitation District	Otero		C	72	\$250,000	Water retention lining rehabilitationfor existing ponds.
98	Hanover MDWCA	Grant		C	63	\$250,000	Rehab water storage tanks, install water cutoff valves.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
99	Tres Piedras MDWCA	Taos		C	88	\$72,000	Replacement of leaky distribution lines, install water line under Highway 285.
100	Corona, Village of	Lincoln		C	83	\$400,000	Rehabilitate two 100,000 gal water storage tanks and one 25,000 gal water storage tank.
101	Silver City Water System	Grant		C	76	\$772,800	Replace 5,685' of 50 year old water main and 1,575' of old residential service line, 24 new gate valves and 13 fire hydrants.
102	Eldorado WSD	Santa Fe		C	205	\$720,000	Replace 8,000' of undersized water line, add 600' of water line to aid in fire protection, add a booster pump station to improve pressure.
103	Lower Rio Grande MDWCA	Dona Ana		C	65	\$3,000,000	Treatment plant, distribution line extension, water storage tank, interconnection with La Mesa
104	Estancia	Torrance		C	71	\$500,000	Supply lines, new metering and customer billing system, install a new 250,000 gallon water tank, installation of new hydrants and repairs of existing hydrants.
105	Bloomfield Water Supply System	San Juan		C	96	\$275,000	Replace reservoir intake tower.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
106	Timberon Water & Sanitation District	Otero		C	72	\$169,000	Install a new 160,000 gallon water storage tank to replace an existing 22,000 gallon tank.
107	Orchard Estates Faculty Lane Water Assoc	Sandoval	Y	C	196	\$175,000	Install water meters, replace old failing water main.
108	La Jara WUA	Sandoval		C	79	\$150,000	Complete the ultra filtrations project which is partially funded.
109	Piney Woods Water Users Association	Otero		C	97	\$160,000	Replace 2,300' of distribution, rebuild spring box, replace pump, rebuild pump house.
110	San Mateo MDWCA	Cibola		C	72	\$250,000	Drill a second well, loop dead end lines.
111	Paakweree Water Coop	Bernalillo		C	116	\$30,000	Implement an Arsenic treatment system.
112	Rio Rancho	Sandoval		C	138	\$9,348,339	Design and construct Arsenic removal system for Wells 14 and 17.
113	Rio Rancho	Sandoval		C	138	\$4,373,610	Design and construct Arsenic removal system for Wells 3 and 15.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
114	Arenas Valley Water Association	Grant		C	60	\$130,000	Replace old existing meters with radio-read meters.
115	Mountain Orchard WDWCA	Otero		C	120	\$200,000	Replace waterline from spring to storage tank, Replace all steel water lines with PVC.
116	Truth or Consequences	Sierra		C	62	\$4,000,000	Install 7 miles of transmission line to serve the airport, new development and Desert Aire community.
117	Carlsbad	Eddy		C	90	\$10,000,000	Installation of 1 or 2 Water Tanks with combined capacity of 5,000,000 gallons, and necessary piping to provide connection to existing system. Project proposal will also enable (non-emergency) system interconnection to surrounding communities.
118	Tecolotito MDWCA	San Miguel		C	47	\$266,000	Extend the distribution system approximately one mile to serve homes currently on wells.
119	Timberon Water & Sanitation District	Otero		C	72	\$364,000	Add a new 500,000 gallon water storage tank.
120	North San Ysidro MDWCA	San Miguel		C	67	\$218,050	Drill a supplemental water supply well.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
121	Ilfeld MDWCA	San Miguel		C	68	\$963,017	Install a 34,800 gal water storage tank, security fence for new tank, supplemental water supply well, well house, 50 meters, line and valves necessary to connect well and tank, flush hydrants.
122	South San Ysidro MDWCA	San Miguel		C	67	\$218,050	Drill a supplemental water supply well.
123	Espanola Water System	Rio Arriba		C	80	\$1,800,000	Modifications to Well #9 to increase productivity.
124	Moriarty Municipal Water System	Torrance		C	74	\$1,745,344	Leak detection evaluation, installation of new 8" and 10" water line.
125	Taos Ski Valley, Village of	Taos		C	198	\$1,500,000	Two additional 250,000 water storage tanks, replacement of PRVs, replace portions of distribution which are undersized and leaky, replace old hydrants and add new hydrants.
126	Moongate West	Dona Ana		C	132	\$700,000	Drill two new water supply wells, 3 miles of 12" transmission line to connect wells to distribution system.
127	Bosque Farms Water Supply	Valencia		C	129	\$800,000	Upgrade well #2 and its pumping station with variable frequency drives, upgrade the pumps and motors, install a new DC and all related electronics and install a SCADA system between the two Village wells.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
128	Carlsbad	Eddy		C	90	\$25,000,000	Installation of Double Eagle water line to bring new source water into Carlsbad and south Eddy County communities..
129	Lincoln MDWCA	Lincoln		C	86	\$533,000	Replace 5890' of 2" water line on north side of the highway with 6" line to enable the installation of fire hydrants, install 7 hydrants.
130	Southwestern College	Santa Fe	Y	C	100	\$89,000	6 KW photovoltaic system, rainwater collection system, Brac graywater system.
131	Tijeras, Village of	Bernalillo		C	100	\$2,500,000	Phase III of project to extend service to area north of I-40 consisting of 800' of 6" water line, 7700' of 8" water line and a booster pump station.
132	Tesuque MDWCA	Santa Fe		C	105	\$472,182	New water and land acquisition, new well, replacement of some undersized water line.
133	Rio Rancho	Sandoval		C	138	\$3,074,072	Install a new 3 million gal water storage tank to serve northwest Rio Rancho.
134	Rio Rancho	Sandoval		C	138	\$500,000	Install a water line to connect Well 19 to the western portion of Rio Rancho.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
135	Berino MDWCA	Dona Ana		D	69	\$1,745,000	Planning (PER and Environmental Assessment), design and construction of a new water supply well and arsenic treatment. Land acquisition may be needed for the well.
136	Vista Redonda HOA	Santa Fe		D	106	\$1,266,000	Replace existing meters with radio read meters, replace water storage tank, five new fire hydrants, upgrade distribution to larger diameter, reconfigure distribution to allow mixing of source waters prior to serving customers.
137	Velarde MDWCA	Rio Arriba		D	83	\$100,000	Install additional ring on water storage tank to raise level in tank, add isolation valves in distribution, re-pipe well house.
138	Fambrough MDWCA	Chaves		D	75	\$2,100,000	Replace 17 miles of undersized water lines, loop dead end lines, reposition existing fire hydrants.
139	Espanola Water System	Rio Arriba		D	80	\$1,500,000	Install treatment for uranium in wells 5 and 6.
140	Fort Seldon Water Company	Dona Ana		D	56	\$75,000	Run pipeline under I-25 and under Fort Seldon Road. Paint water storage tanks.
141	Bluewater WSD	Cibola		D	83	\$354,000	Replace the existing 64 year old water supply well.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
142	McKinley County	McKinley		D	64	\$3,531,000	Emergency tie-in to Gallup water system for Coal Basin MDWCA and Yah-Ta-Hey W&S; Emergnecy tie in to Navajo Tribal Utilities Authority system for White Cliffs MDWCA; water storage tanks for Yah-Ta-Hey W&S and Gamerco W&S; alarm systems for McKinley County
143	La Cienega MDWCA	Santa Fe		D	111	\$900,000	Replace 1/2 of old distribution system, replace all old meters with radio-read meters, backflow preventers at all meters.
144	Desert Sky Mountain Coop	Sandoval		D	178	\$200,000	Install an Arsenic treatment system to bring the system's drinking water into SDWA compliance for the Arsenic MCL.
145	Sunland Park Water System	Dona Ana		D	0	\$975,000	Drilling and equipping well #29 and connection to the Dona Ana County water system. System
