Pursuant to NMSA 1978, §§ 61-33-120.E and 74-1-10.E and 20.1.5 NMAC (available at www.nmenv.state.nm.us), Respondent has the right to request a hearing. If Respondent (a) contests any material or legal matters upon which this Order is based; (b) contends that Respondent is entitled to prevail as a matter of law; or (c) otherwise contests the appropriateness of this Order, Respondent may mail or deliver within thirty (30) days of receipt of this Order a written Request for Hearing at the following address:

Respondent must attach a copy of this Order to the Request for Hearing. 20.1.5.200.A(2)(d) NMAC.

The Request for Hearing shall include an Answer. Respondent's Answer shall clearly and directly admit, deny or explain each of the factual allegations contained in this Order with regard to which Respondent has any knowledge. Where Respondent has no knowledge of a

SETTLEMENT CONFERENCE

Whether or not a Request for Hearing has been filed, Respondent may confer with the NMED concerning settlement of this Order. The NMED encourages settlement consistent with the provisions and objectives of the EIA and the DW Regulations. Settlement discussions neither extend the thirty (30) day deadline for filing a Request for Hearing and Answer nor alter the deadline imposed for compliance with the mandate of this Order. Settlement discussion may be pursued as an alternative to, and simultaneously with, the hearing proceedings. Respondent may appear at the settlement conference alone or accompanied or represented by legal counsel.

A Stipulated Final Order shall finalize any settlement reached by the parties. The Stipulated Final Order must resolve all issues raised in this Order, shall be final and binding on all parties, and may not be appealed.

To explore the possibility of settlement in this matter, contact Maria J. Medina, Drinking Water Bureau, New Mexico Environment Department, P.O Box 5469, Santa Fe, New Mexico 87502-5469, (505) 476-8629.

COMPLIANCE WITH OTHER LAWS

Compliance with the requirements of this Order does not relieve Respondent of the obligation to comply with all other applicable laws and regulations. This Order does not constitute a waiver, suspension, or modification of the requirements of 20.7.10 NMAC and 20.7.4 NMAC which remain in full force and effect. Issuance of this Order is not an election by the NMED to forgo any civil or criminal action otherwise authorized under the EIA.

TERMINATION

This Order shall terminate when Respondent certifies that all requirements of this Order have been met and the NMED has approved such certification in writing, or when the Secretary approves a Stipulated Final Order.
