**COMPLIANCE WITH OTHER LAWS**

Compliance with the requirements of this Order does not relieve Respondent of the obligation to comply with all other applicable laws and regulations. This Order does not constitute a waiver, suspension, or modification of the requirements of 20.7.10 NMAC and 20.7.4 NMAC which remain in full force and effect. Issuance of this Order is not an election by the NMED to forgo any civil or criminal action otherwise authorized under the EIA.

**TERMINATION**

This Order shall terminate when Respondent certifies that all requirements of this Order have been met and the NMED has approved such certification in writing, or when the Secretary approves a Stipulated Final Order.
