STATE OF NEW MEXICO
SECRETARY OF ENVIRONMENT

NEW MEXICO ENVIRONMENT DEPARTMENT,
FIELD OPERATIONS AND INFRASTRUCTURE
DIVISION,

Complainant,

AO# 2012-ACO-017

v.

Forest Meadow Baptist Church
PWS# NM3501401

Respondent.

SETTLEMENT AGREEMENT AND STIPULATED FINAL ORDER

The New Mexico Environment Department ("NMED") has alleged that Forest Meadow Baptist Church ("Respondent") has violated the New Mexico Environmental Improvement Act ("EIA"), NMSA 1978, § 74-1-10, and the Drinking Water Regulations ("DW Regulations"), 20.7.10 NMAC. To avoid litigation, the NMED and Respondent hereby enter into this Settlement Agreement and Stipulated Final Order ("Final Order"), pursuant to Section 20.1.5.600.B NMAC on the terms and conditions specified herein. For purposes of this Final Order, Respondent admits the jurisdictional allegations of this Final Order, waives the right to a hearing, and consents to the relief specified herein.

FINDINGS

1. The NMED is an executive agency within the government of the State of New Mexico and is charged with administration and enforcement of the EIA and the DW Regulations.
2. Respondent owns and operates a public drinking water system, Forest Meadow Baptist Church ("System"), located in Bernalillo County, New Mexico.

3. The System is a Non Transient Non Community water system as defined by Section 20.7.10.100 NMAC, incorporating 40 C.F.R. § 141.2, that regularly provides piped drinking water to approximately one hundred fifty (150) church members and has approximately one (1) service connection to serve these church members.

4. Respondent, Forest Meadow Baptist Church, is a “person” as defined by the EIA, NMSA 1978, § 74-1-3, and 20.7.10.100 NMAC, incorporating 40 C.F.R. § 141.2.

5. Section 20.7.10.100 NMAC, incorporating 40 C.F.R. § 141.62(b)(9) requires a Transient Non Community water system to not exceed the Total Nitrate and Nitrite Maximum Contaminant Levels (MCL) of 10 milligrams per liter (mg/L).

6. Total Nitrate and Nitrite samples were collected from Respondent’s Entry Point #1 on January 4, 2012, and April 23, 2012. Analysis of the samples resulted in Total Nitrate and Nitrite concentrations of 12.2 mg/L, and 11.7 mg/L respectively.

VIOLATION ONE

7. Respondent is in violation of Section 20.7.10.100 NMAC, incorporating 40 C.F.R. § 141.62(b)(9), *Maximum Contaminant Levels (MCL) for Total Nitrate and Nitrite*, which requires a public water system to not exceed the Total Nitrate and Nitrite MCL of 10 mg/L. Respondent exceeded the MCL for Total Nitrate and Nitrite at Entry Point #1 during the first and second quarter of 2012 with sample results of 12.2 mg/L, and 11.7 mg/L respectively.

TERMS OF SETTLEMENT

8. Within 60 days of receipt of this Final Order, submit a proposed corrective action plan to NMED which includes a schedule and identifies steps that will be taken to bring the water system into full compliance with Section 20.7.10.100 NMAC, incorporating 40 C.F.R. § 141.62(b)(9), *MCL for Total Nitrate and Nitrite*.

9. By November 1, 2013, be in compliance with Section 20.7.10.100 NMAC, incorporating 40 C.F.R. § 141.62(b)(9) and provide drinking water with concentrations of Total Nitrate and Nitrite below the MCL of 10 mg/L.

10. Submittals made pursuant to the terms of this Final Order shall be sent by standard U.S. mail or certified mail with return receipt requested to the following:

Jeff Pompeo, Enforcement Coordinator
New Mexico Environment Department
Drinking Water Bureau
525 Camino de los Marquez, Suite 4
Santa Fe, NM 87505

11. If Respondent fails to comply with any of the terms of this Final Order, Respondent shall be assessed and shall pay a stipulated civil penalty of \$120.00 per day to the State of New Mexico.

12. Payment(s) shall be by corporate check, certified check, or other guaranteed negotiable instrument made payable to the State of New Mexico, and shall be sent to the NMED to the following:

Kathy Romero, Financial Manager
New Mexico Environment Department
Drinking Water Bureau
525 Camino de Los Marquez, Suite 4
Santa Fe, New Mexico 87505

13. If Respondent fails to make timely and complete payment(s) under paragraph 11, Respondent shall pay interest on the outstanding balance at the rate established for judgments and decrees under NMSA 1978, § 56-8-4. Respondent shall also be subject to an enforcement action and additional applicable civil penalties for any late payment(s).

14. The NMED retains the right to enforce this Final Order and to pursue any relief authorized by the EIA or other provision of law for any violation not addressed herein. In any

judicial action arising from this Final Order, Respondent agrees that the district court for Santa Fe County shall have personal jurisdiction over the Respondent and exclusive jurisdiction over disputes arising under this Final Order, and Respondent waives any right to challenge such jurisdiction in any forum. The laws of New Mexico shall govern the construction and interpretation of this Final Order.

15. Respondent shall assume all costs and liabilities incurred in performing all obligations under this Final Order. NMED, on its own behalf and on behalf of the State of New Mexico, does not assume any liability for Respondent's performance of any obligation under this Final Order.

16. This Final Order shall become effective on the date it is approved and signed by the NMED Secretary.

17. This Final Order shall apply to and be binding upon Respondent and the NMED and their successors in interest.

18. This Final Order merges all prior written and oral communications and agreements between the NMED and Respondent concerning the subject matter of this Final Order, contains the entire agreement between the Parties, and shall not be modified without the written agreement of the Parties.

19. Each person executing this Final Order represents that he or she has the authority to bind the NMED and Respondent respectively to the terms of this Final Order, and such representation shall be legally sufficient evidence of actual or apparent authority to bind the NMED and Respondent to the terms of this Final Order.

AGREED TO BY:

Field Operations and Infrastructure Division
New Mexico Environment Department

Tom Blaine, PE
Division Director

Date: 04/02/13

Forest Meadow Baptist Church

President

Date: 12/3/12

STIPULATED FINAL ORDER

Pursuant to section 20.1.5.600.B(2) NMAC, this Settlement Agreement and Stipulated Final Order, agreed to by the Forest Meadow Baptist Church, is hereby incorporated herein and **APPROVED AS A FINAL ORDER** pursuant to NMSA 1978, § 74-1-10.

F. David Martin
Secretary
New Mexico Environment Department
