Release: March 23, 2015

Vendor Questions

Date Received	Question	ANSWER	RFP Amendment Required?
4/28/15	Are these funds {supporting the RFP} federal or state?	There are both federal and state funds that will support the work contracted through the RFP.	No
4/28/15	Are federally funded agencies allowed to submit proposals for this initiative?	Federally funded agencies may submit proposals to this initiative, provided that contract awards and work assignments must not constitute a conflict of interest. Offerors who currently offer capacity development services to New Mexico clients can include a page with the Proposal packet that lists client names and specific types of capacity development services being offered by Offeror. This page will not count toward total page count.	No
