

# SAFE DRINKING WATER ACT ONLINE-TRAINING FOR MANAGERS AND BOARD MEMBERS

**OCTOBER 27, 2015  
5:00-7:00 PM ET (2:00-4:00 PM PT)**

Throughout the country, small water system staff adhere to regulations to provide safe drinking water for their customers. The drinking water system staff follows direction from the state or county health department, but may not realize that these regulations began at a federal level. This workshop will teach managers and board members how and why these regulations exist. Participants will learn and understand:

- What the Safe Drinking Water Act (SDWA) is
- How the SDWA was developed
- How the SDWA is updated
- How to adhere to the SDWA
- Why state and county health departments enforce these regulations
