**Drinking Water Regulation
 Training Opportunity**

In an effort to provide additional assistance to water systems with understanding and complying with the New Mexico Drinking Water Regulations (NMDWR), staff of the New Mexico Environment Department, Drinking Water Bureau (NMED-DWB) will be providing the following training events.

For those wishing to get certified as a Water Sample Technician or as a Water Operator, attending this training will provide 5 training hour credits toward your certification. The Lab training will also provide 5 training hour credits.

Training Event Topic:
**Sampling and Reporting and
 Laboratory Procedures**
