

Financing Workshop for Small Water System Owners

Smart Management for
Small Water Systems

Tuesday, March 26, 2013

9:00 AM – 4:30 PM

Thomas Branigan Memorial Library
200 E. Picacho Ave., Las Cruces, NM 88001

*Parking is free in the lot adjacent to the building.

This training is for drinking water systems serving 10,000 or fewer customers. While operators are welcome, this training is best suited for individuals who make financial decisions for the water system. Topics will include rate setting, capital planning, affordability and available loans and grants.

Financing Workshop for Small Water System Owners

March 26, 2013

The Environmental Finance Center Network (EFCN) is a university-based organization creating innovative solutions to the difficult how-to-pay issues of environmental protection and improvement. The EFCN works with the public and private sectors to promote sustainable environmental solutions while bolstering efforts to manage costs.
