

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
1	Farmington	San Juan	Y	A	110	\$1,260,000	Replace approximately 3,500 old water meters with radio-read meters.
2	Bernalillo, Town of	Sandoval		A	90	\$5,000,000	Install Arsenic treatment at Well #1.
3	San Jon	Quay		A	67	\$1,100,000	Replace transmission line.
4	Lumberton MDWCA	Rio Arriba		A	79	\$330,000	Replace old water lines, new master meter, reconstruct inflow to treatment plant.
5	Carlsbad	Eddy		A	90	\$1,954,070	Replace approximately 18,000' of 8" and 4" waterline along Canal Street from Pompa Street to East Pierce Street, installation of tie-ins to other waterlines along the 9,000 feet of roadway which is scheduled for reconstruction following the installation
6	Los Lunas Water System	Valencia		A	106	\$5,406,000	Install coagulation/filtration treatment systems at each of four water supply wells to address high Arsenic levels.
7	Farmington	San Juan		A	110	\$1,388,800	The Animas Street Waterline Project will replace approximately 6,200' of 4" and 6" waterline with 12" waterline.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
8	Canjilon MDWCA	Rio Arriba		A	88	\$584,437	Drill supplemental water supply well, treatment system for Iron and Manganese and building to house treatment system.
9	Los Ojos MDWCA	Rio Arriba		A	86	\$200,000	Extend water system distribution to the remain members, install meters at these connections.
10	North San Ysidro MDWCA	San Miguel		A	67	\$218,050	Drill a supplemental water supply well.
11	Rio Rancho	Sandoval		A	138	\$2,312,587	Install reverse osmosis treatment for Well 12 which has high TDS.
12	Hurley, Town of	Grant	Y	B	80	\$50,000	Replace 48 water meters and boxes.
13	Bosque Gardens MDWCA	Valencia	Y	B	129	\$175,000	Replace meters with radio-read meters, rehab water storage tank, add valves to distribution, repair roof on pump house.
14	Arenas Valley Water Association	Grant	Y	B	60	\$130,000	Replace old existing meters with radio-read meters.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
15	West Rim MDWCA	Taos	Y	B	73	\$70,000	Add second pump to tank with low flow dispenser, purchase structure to serve as water system office and board meeting space, install photovoltaic system to increase energy independence
16	Eldorado WSD	Santa Fe	Y	B	205	\$200,000	Replace 1,000 water meters with radio-read meters.
17	Tres Piedras MDWCA	Taos	Y	B	88	\$38,000	Install a 4 KW grid-tied photovoltaic system to run water pump and other electrical needs.
18	Organ Water & Sewer Assoc	Dona Ana	Y	B	132	\$40,000	Install photovoltaic system to offset high energy costs.
19	Tucumcari	Quay		B	66	\$3,250,000	Replace the water storage tanks at the Metropolitan Park and the Hoover well fields, replaced the transmission line from both well fields, rehabilitate old off-line wells.
20	Tecolote MDWCA	San Miguel		B	71	\$150,000	Replace a portion of the distribution system, replace water pump, replace electrical system, replace chlorination system with automated unit, install meters.
21	Floyd, Village of	Roosevelt		B	79	\$250,000	Install a treatment system for Fluoride and Arsenic.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
22	Corona, Village of	Lincoln		B	83	\$400,000	Rehabilitate two 100,000 gal water storage tanks and one 25,000 gal water storage tank.
23	Belen Water System	Valencia		B	78	\$1,415,000	Replace an old 1 million gal water storage tank.
24	Silver City Water System	Grant		B	76	\$772,800	Replace 5,685' of 50 year old water main and 1,575' of old residential service line, 24 new gate valves and 13 fire hydrants.
25	Eldorado WSD	Santa Fe		B	205	\$720,000	Replace 8,000' of undersized water line, add 600' of water line to aid in fire protection, add a booster pump station to improve pressure.
26	San Rafael W&S	Cibola		B	90	\$420,000	Distribution system replacement.
27	Organ Water & Sewer Assoc	Dona Ana		B	132	\$30,000	Replace well pump and pump motor.
28	Bosque Farms Water Supply	Valencia		B	129	\$800,000	Upgrade well #2 and its pumping station with variable frequency drives, upgrade the pumps and motors, install a new DC and all related electronics and install a SCADA system between the two Village wells.

DWSRF Stimulus Fundable Projects

Project #	PWS Name	County	Green Status	Ready to Proceed	MHI	Cost	Project Description
29	Raton	Colfax		B	79	\$3,750,000	Construct a new 2.5 MGD surface water treatment facility to treat water from Eagle Nest Lake.
30	Alto North Water Coop	Lincoln		B	109	\$180,000	Replace two 8,500 gal water storage tanks and install one new tank.
31	Ilfeld MDWCA	San Miguel		B	68	\$963,017	Install a 34,800 gal water storage tank, security fence for new tank, supplemental water supply well, well house, 50 meters, line and valves necessary to connect well and tank, flush hydrants.
32	South San Ysidro MDWCA	San Miguel		B	67	\$218,050	Drill a supplemental water supply well.
33	Dona Ana County Utilities	Dona Ana		B	59	\$1,345,406	Equip an existing well for production including pump, disinfection, well house, and piping.
34	New Mexico American Water (Edgewood)	Santa Fe		B	124	\$540,000	Replace 3,000' of aging 6" transmission line with 12" line.
35	Albuquerque-Bernalillo County Water Utility Authority	Bernalillo		B	111	\$2,000,000	Construct Phase II of the ABCWUA extension to Carnuel consisting of constructing a 500,000 gal storage reservoir, a pump station and distribution lines.
