NEW MEXICO ENVIRONMENTAL IMPROVEMENT BOARD NOTICE OF PUBLIC MEETING AND RULEMAKING HEARING The New Mexico Environmental Improvement Board ("Board") will hold a public hearing on January 3, 2012 at 9:00 am in Room 307 of the New Mexico State Capitol Bldg, 490 Old Santa Fe Trail, Santa Fe 87501. The purpose of the hearing is to consider the matter of EIB No. 11-18(R), revisions to the New Mexico Drinking Water Regulations. The Safe Drinking Water Act section 300(g)(2)(a)(1) requires states with primary enforcement responsibility for public water systems to adopt regulations that are no less stringent than the national primary drinking water regulations. The proposed revision would update New Mexico's incorporation by reference of the National Primary Drinking Water Regulations, 40 CFR Part 141, so that future changes to those regulations will be automatically incorporated into New Mexico law. Other revisions to the regulations are also proposed to reflect existing implementation in New Mexico where federal regulations allow state discretion or require state interpretation. The overarching goal of the proposed changes is to increase the consistency of implementation among the regional offices in the bureau and to provide more transparency and predictability to the regulated water systems. The proponent of this regulatory revision is the New Mexico Environment Department ("NMED"). At <http://www.nmenv.state.nm.us/dwb/index.htm>, the proposed drinking water regulation revision may be downloaded using the "Laws & Regulations" or the "WHAT'S NEW" links.
