No. EIB 11-18 (R)

**NEW MEXICO ENVIRONMENT DEPARTMENT'S  
SECOND SUPPLEMENTAL EXHIBITS**

Pursuant to the Hearing Officer's verbal order issued in the hearing on this matter of May 7, 2012, the Department submits revised proposed amendments to 20.7.10 NMAC, with annotations, as NMED Exhibit 14a attached hereto. NMED Exhibit 14a shows the revisions in redline/strikeout form, as compared with currently effective 20.7.10 NMAC. The exhibit also shows, through the use of highlight and double-underline, which proposed revisions are proposed subsequent to the May 7 hearing.

The Department also submits a revised version of NMED Exhibit 12, attached hereto as NMED Exhibit 12a. This exhibit shows Part 10 as it would appear if the Board accepts all proposed changes, with redline and strikeout removed. Language that is new or relocated since the May 7 hearing is shown in highlight in this exhibit as well.

In addition, the Department submits the following exhibits it intends to introduce at the July 9, 2012 hearing:

- NMED Exhibit 18 – Public Notices of July 9, 2012 Hearing
- NMED Exhibit 19 – Regulation of Water Haulers in other States
- NMED Exhibit 20 – Supplemental Testimony of Angela Cross

Respectfully submitted,
