* In order to identify the recalled products, both the product description or UPC code AND the Best-if-Used-By-Date must be used. The UPC code and best by date are printed on the back of the packages. Because the UPC code is used for all items in these categories, the UPC code alone will not identify the recalled product.

Additional information, including product photos, are available at www.fda.gov/Safety/Recalls/ucm375135.htm

REQUIRED ACTION: Please contact the local Walmart stores in your jurisdiction to determine if product has been pulled and post the recall info at each office for public consumption

Upon completion of required actions, report findings to andrew.wilson@state.nm.us
