

## Training Topic #1-Important Changes to Food Regulations

Training Information		
<b>Date:</b> 04/25/16	<b>Course Number:</b> 702.2	<b>Time:</b> 2:00 pm
<b>Description:</b> On March 1, 2016 the New Mexico Food Service and Food Processing Regulations changed. To standardize the state with most other states and jurisdictions, the state adopted a slightly modified version of the 2013 FDA Model Food Code. Slight modifications were made to the adopted code to meet the specific needs of our state. This training is designed to familiarize you with the requirements of the new regulations. This training will be helpful for owners and managers of retail food businesses, food trucks, pushcarts, temporary events, and food manufacturing businesses.
