Inspection Training & Certification

May 15-16, 2006

**Superstition Mtn. Campus of
Central Arizona College
Apache Junction, AZ**

Whether you are an experienced industry professional or starting out, you will find a great deal of value in this **ADEQ approved** NAWT Inspection Training and Certification workshop based on the Arizona Onsite Rule. Your successful completion of the 2-day workshop and certification test will result in your name being listed as a NAWT certified inspector. This list is posted on the NAWT website (www.nawt.org) and visited by property owners and Realtors engaged in the Arizona Transfer Inspection Program under AAC R18-9-A316.

This course is a pre-requisite for the AZ Soil & Site Evaluation for Onsite Wastewater Treatment Systems Workshops.

Instructors: David Gustafson, P.E. and James Anderson, Ph.D.

Where: Room 444, Central Arizona College - Superstition Mtn. Campus, 2703 Old West Hwy, Apache Junction, AZ 85219-5231

Meeting Time: 8:00 a.m.-5:00 p.m. both days.

Cost: \$250 for early registration (prior to May 1), \$300 for late registration (after May 1 through May 12). Registration includes workshop, manuals, and breaks. **Lunch** is on your own. Multiple employees from same company receive 10% discount with second or more employees registering for the same workshop. If recertifying, cost is \$175, and please indicate on registration form. Reduced fees available for regulators.

Policies: You must preregister and prepay fees for the course. No onsite registrations accepted. Registration will be confirmed upon receipt of fees. Cancellations within one week of workshop will result in half refund of payment.
