The agenda shall indicate the date, time and place of the meeting, a description of the matter being discussed and considered for formal action, a list of any other specific items of business to be transacted, and the nature of the action contemplated at the open meeting. The order of items on the agenda may be amended at any time. Except for emergency matters as defined by NMSA 1978, Section 10-15-1(F), the Committee shall take action only on items appearing on the agenda. The agenda may be incorporated into the Notice of Open Meeting.

III. Emergency Open Meetings

In the event of an emergency as defined in NMSA 1978, Section 10-15-1(F), the WTAC shall provide such notice as reasonably practical under the circumstances.

The WTAC shall keep written minutes of all its meetings. The minutes shall include at a minimum the date, time and place of the meeting, the names of members in attendance and those absent, the substance of the proposals considered and a record of any decisions and votes taken that show how each member voted. All minutes are available for public inspection. Draft minutes shall be prepared within ten working days after the meeting and shall be approved, amended or disapproved at the next meeting where a quorum is present. Minutes of the WTAC are not official until approved by the WTAC.

V. Closed Meetings

Meetings of a quorum which would otherwise be open shall not be closed except in conformance with NMSA 1978 Section 10-15-1 (H). If any meeting is closed, the closure shall be made in an open meeting and approved by a majority of the WTAC; the authority of the closure and the subject to be discussed shall be stated with reasonable specificity in the motion calling for the vote on a closed meeting; the vote shall be taken in an open meeting; and the vote of each member shall be recorded in the minutes. Only those subjects announced or voted upon prior to closure by the WTAC may be discussed in the closed meeting. If the closed meeting is called for outside of an open meeting, the Notice of Open Meeting shall state the provision of law under which the closures will take place and state the subject to be discussed. The minutes of a closed meeting shall state whether only those subjects specified when the meeting was closed were discussed in the closed meeting.
