Re: Reappointment to New Mexico Environment Department Wastewater Technical Advisory Committee

Dear Andrew Schuler,

Thank you for your interest in continuing to serve on the New Mexico Environment Department Wastewater Technical Advisory Committee ("WTAC"). I am pleased to reappoint you to serve on the WTAC in the position outlined in NMSA 1978, § 9-7A-15(2), which is a faculty member from a university or college located within New Mexico with a minimum of a master's degree in biological science, microbiology, soil science or engineering, and with a minimum of ten years of work or academic experience with wastewater treatment or wastewater treatment facility management.

Your appointment will expire July 30, 2024. You will be contacted in the near future about the upcoming WTAC meeting. If you have any questions about your appointment or duties of the WTAC, please feel free to contact William Chavez at 505-850-2344, or by email at william.chavez@state.nm.us.

Very truly yours,

James C. Kenney, Secretary
New Mexico Environment Department
