Re: Appointment of new New Mexico Environment Department representative to the WQCC

Dear Acting Chair Sypher,

On behalf of the New Mexico Environment Department (NMED), I appoint Jonas Armstrong to the Water Quality Control Commission (WQCC) as my interim designee. With a background in natural resources and environmental law and policy, he will continue the tradition of the Department's dedication to provide strong technical expertise to the Commission.

The new appointment will become effective as of March 28, 2023, or at the next regular meeting of the Commission. As NMED fills various leadership positions, I may revisit my designee to the WQCC towards the end of FY23.

Respectfully,

A handwritten signature in blue ink that reads "James C. Kenney".

James C. Kenney
Cabinet Secretary
