Re: Appointment of new Bureau of Geology and Mineral Resources representative on the WQCC

Chair Stringer and members of the Water Quality Control Commission,

On behalf of the New Mexico Bureau of Geology and Mineral Resources, I would like to appoint Bonnie Frey to the Water Quality Control Commission as my designee. Ms. Frey is a geochemist and manages our general Chemistry Laboratory at the Bureau. She will continue the tradition of the Bureau's dedication to provide strong technical expertise to the Commission.

I would like to acknowledge and commend Mrs. Stacy Timmons for her dedicated service to the Commission during her tenure.

The new appointment will become effective as of August 1st, 2022 or at the next regular meeting of the commission.

Respectfully,

J. Michael Timmons
Interim Director and State Geologist
New Mexico Bureau of Geology and Mineral Resources

cc. Pamela Jones (NMENV), Bonnie Frey (NMBGMR), Stacy Timmons (NMBGMR),
Dr. Nelia Dunbar (Int.VPR NMT), Dr. Stephen Wells (President, NMT)
