IN THE MATTER OF PROPOSED NEW REGULATION
11.5.7 NMAC – Heat Illness and Injury Prevention

NEW MEXICO ENVIRONMENT DEPARTMENT
ENVIRONMENTAL HEALTH DIVISION
OCCUPATIONAL HEALTH and SAFETY BUREAU,

Petitioner. **EIB 25-11 (R)**

ORDER CONTINUING RULEMAKING HEARING

This matter comes before the Hearing Officer following an Amended Third Motion filed on March 10 by Petitioner to vacate and reset the hearing currently scheduled for May 4-8, 2026. This Order is entered to vacate that setting, but a subsequent Order will be necessary to identify a new setting, based on the Hearing Officer's calendar, the Board members' respective calendars, and the imminent departure of one Board member such that it is important to have the other Board members available, or another Board member appointed.

The Office of Public Facilitation is working diligently to identify new hearing dates as close as possible to the setting requested by Petitioner in August; Petitioner may reach out to OPF at any time for an update.
