

## **SIERRA COUNTY ROAD BA 76 - LOW WATER CROSSING**

Location: On Sierra County Road BA 76 where it crosses the Canon del Molina Viejo. Take I-25 Exit 71, the Los Palomas exit. The site is 3.5 miles west of that exit. The address of the mobile home just east of the site is 405 County Road BA 76. The Ranch across the road and to the east is the LNZ Family Ranch (for sale at time of visit in 2010).

Approximate Date of Construction: 2007

Number of Bales / Tires Used: Approximately 90 bales

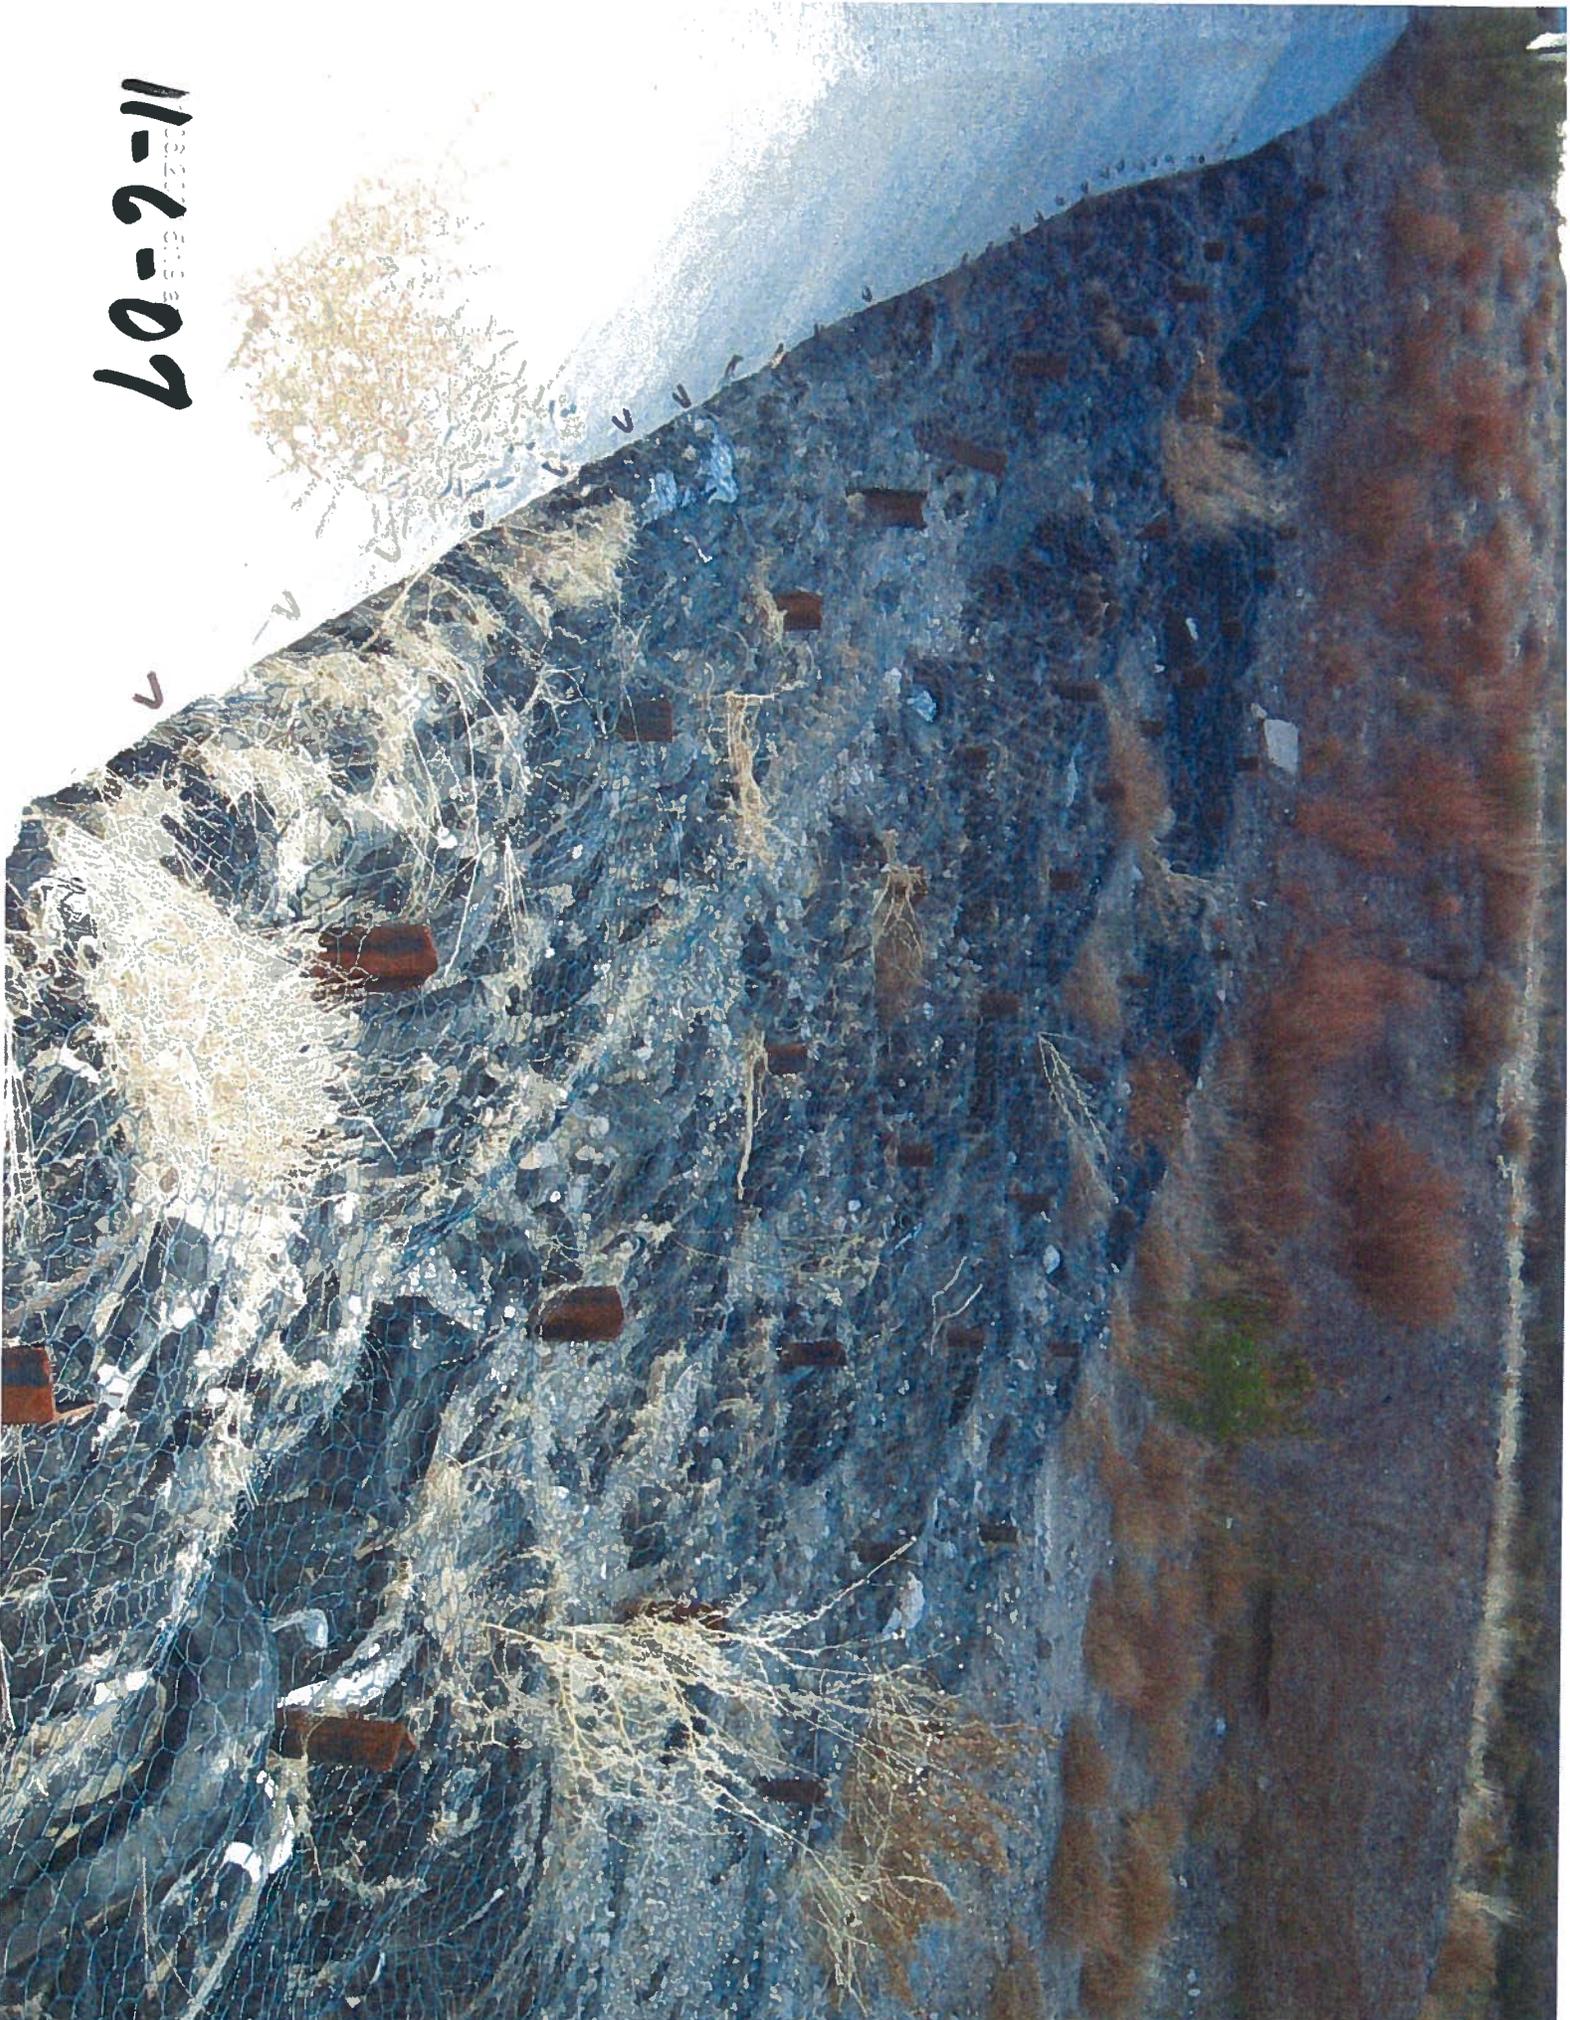

Design information: The project was designed by Matthew E. Moore, PE of URS in Las Cruces. Three rows of tire bales along a 150 foot length of the road will be placed anchored and covered with hexagonal mesh (TSP)

Cost: Unknown

Other information: A site visit was made on 11-11-10. Although there is evidence of some scouring along the road, it is holding up fairly well. For more information, contact Janet Porter-Correjo, Sierra County Manager 575-894-6215.
