

STATE OF NEW MEXICO
WATER QUALITY CONTROL COMMISSION

COPY

IN THE MATTER OF:

FINAL TOTAL MAXIMUM DAILY LOAD
FOR THE SACRAMENTO MOUNTAINS
[RIO HONDO, TULAROSA, AND
RIO PEÑASCO WATERSHEDS]

ORDER

THIS MATTER came before the New Mexico Water Quality Control Commission on August 11, 2015, at a regularly scheduled meeting. Having considered the proposed Final Draft Total Maximum Daily Load for the Sacramento Mountains [Rio Hondo, Tularosa, and Rio Peñasco Watersheds], together with the oral presentations at the meeting, IT IS HEREBY ORDERED:

The Final Total Maximum Daily Load for the Sacramento Mountains [Rio Hondo, Tularosa, and Rio Peñasco Watersheds] is approved, adopted, and incorporated into New Mexico's Statewide Water Quality Management Plan and Continuing Planning Process.

ISSUED this 11th day of August, 2015.

Michael Vonderheide, Acting Chair
Water Quality Control Commission
