

**STATE OF NEW MEXICO  
BEFORE THE WATER QUALITY CONTROL COMMISSION**

**IN THE MATTER OF THE  
FINAL TOTAL MAXIMUM DAILY LOAD  
FOR THE ANIMAS RIVER WATERSHED  
[SAN JUAN RIVER TO SOUTHERN UTE INDIAN TRIBE BND]**

**ORDER**

This matter came before the New Mexico Water Quality Control Commission on September 10, 2013 at a regularly scheduled meeting. Having considered the proposed Final Draft Total Maximum Daily Load for the Animas River Watershed, together with oral presentations at the meeting, and the Environment Department's expanded responses to comments submitted, IT IS HEREBY ORDERED THAT:

The Final Draft Total Maximum Daily Load for the Animas River Watershed is approved as revised, adopted and incorporated into the New Mexico Water Quality Management Plan.
