AGENDA – PSTB STAKEHOLDERS MEETING

Las Cruces: Dona Ana County Courthouse
October 24, 2006

- 1:00 pm Greeting: Jim Davis, Bureau Chief
- 1:10 pm Overview of Stakeholders Meetings and Regulation Revision Process
- Statutory and regulatory requirements for revising rules
 - Timetable and scheduling
 - Areas for Stakeholder participation and notice
 - Questions and comments from Stakeholders
- 1:30 pm Possible Changes to Existing AST Rules
- Technical and operational changes noted during implementation
 - New or overlooked technologies
 - Changes in industry codes and standards
 - Clarify existing definitions
 - Suggestions from Stakeholders
- 2:00 pm Possible Changes to Fund Administration (Part 17)
- Clarify and streamline claim and payment processing (including possible shorter time period for submission of claims to Corrective Action Fund)
 - Add provisions for assigning claims and access to Corrective Action Fund, from owners to subsequent purchasers of property or to contractors
 - Frequency of, and mechanisms for, compliance determinations
 - Clarify time period for access to Fund (time of release, time of ownership of tanks or property, both, or other)
 - Develop a cost recovery process with appeal provisions
 - Allow Fund to pay for tank removal in limited situations
 - Suggestions from Stakeholders
- 2:30 pm Break

- 2:45 pm 2005 Federal Energy Policy Act Provisions
- Delivery prohibition
 - Secondary containment or financial responsibility
 - Operator training
 - Maintain a public record of regulated tanks
 - Questions and comments from Stakeholders
- 3:15 pm Other Miscellaneous Changes to Rules
- Provide more flexibility in closure requirements and time-tables
 - Tighten up provisions for payment of annual fees and late fees
 - Provisions for enforcing against owners who do not register after transfer
 - Change fee assessment for compartment tanks
 - Additional changes proposed by Stakeholders
- 3:40 pm Additional comments, questions, concerns raised by Stakeholders
- Suggestions for future meeting schedule
 - Methods for reviewing and commenting on draft rule revisions
- 3:55 pm Conclusion
