v.)
Cannon Air Force Base)

Order Extending Discovery Deadlines

This matter came before me on the motion of Complainant, New Mexico Environment Department, to extend discovery deadlines by 30 days. In support of its motion, Complainant cites the Order vacating the hearing scheduled in this matter for June 9, 2020, and rescheduling the hearing for August 11, 2020. Complainant further cites the Public Health Order issued by the New Mexico Department of Health on April 30, 2020, and Executive Order 2020-026. Based on these orders and circumstances, Complainant argues that compliance with the current discovery deadlines would place its employees in unnecessary danger to their health and safety. Complainant therefore requests that the discovery deadlines be extended by 30 days to June 25, 2020.

Respondent does not oppose Complainant's motion.

Having reviewed Complainant's motion and being otherwise fully advised, I find Complainant's motion is well taken. I therefore order that the discovery deadlines for this matter be extended until June 25, 2020.
