**STATE OF NEW MEXICO
WATER QUALITY CONTROL COMMISSION**

IN THE MATTER OF:)
Water Protection Division of the) **WQCC 20-08 (CO)**
New Mexico Environment Department,)
v.)
Cannon Air Force Base)

Order Extending Discovery Deadlines

This matter came before me on the joint motion of Complainant, New Mexico Environment Department, and Respondent, Cannon Air Force Base, (collectively “the Parties”) to extend discovery deadlines to July 10, 2020. In support of the motion, the Parties indicate that they have reached settlement but require additional time to prepare and sign the final settlement documents. Rather than focus on discovery, the Parties wish to focus on final settlement of this matter.

Having reviewed the motion and being otherwise fully advised, I find the Parties’ motion is well taken. I therefore order that the discovery deadlines for this matter be extended until July 10, 2020.
