Good afternoon,

This report is to serve as documentation of the publication of the Public Hearing Notice for DP-1132 pursuant to the Public Participation Plan for DP-1132 and Subsection N of 20.6.2.3108 NMAC. While Subsection N states that notice shall be given in accordance with Subsection H of 20.6.2.3108 NMAC, this is understood as referring to Subsection J of the current regulations that took effect on December 21, 2018. The text of Subsection J was contained under Subsection H in the prior version of 20.6.2 NMAC and the reference in Subsection N does not appear to have been updated with the new regulations.

20.6.2.3108.J.1 – Posting on the Department’s website.

The Public Hearing Notice and Fact Sheet were posted in English and Spanish to the Department’s website on October 9, 2019. The hearing date on the Fact Sheet was updated to the currently scheduled date at the time that it was posted to the website with the hearing notice. The Hearing Notice and Fact Sheet were made available with Text to Speech (TTS) functionality; however, the vendor, ReadSpeaker, appears to have experienced technical difficulties since October 28, 2019, that have not been resolved as of the time of this report.

20.6.2.3108.J.2 - Newspaper Publication

The notice was published in English and Spanish in the The Santa Fe New Mexican, Los Alamos Monitor (Newspaper in general circulation in the location of the facility), and The Albuquerque Journal (Newspaper in general circulation in this state) on October 9, 2019. Maddy Hayden recommended an improvement to the capitalization of the title sentences (Please see attached email) and this improvement did not appear in the Santa Fe New Mexican but did appear in all other publications. Attached is correspondence with newspapers including proofs of each publication.

20.6.2.3108.J.3 through 5 - Mailing or e-mailing to those persons on a facility-specific mailing list. Mailing to any affected local, state, or federal governmental agency, ditch associations and land grants, as identified by the department; and mailing to the governor, chairperson, or president of each Indian tribe, pueblo or nation within the state of New Mexico, as identified by the department.

A physical copy of the Hearing Notice was sent by physical mail on October 9, 2019 to the following recipients:

- The physical addresses for the applicants utilized for the mailout are on rows 112-113 on the attached interested parties list.
- The physical addresses for the facility specific interested parties utilized for the mailout are on rows 114-131 on the attached interested parties list. This list was compiled from interested parties lists for all LANL Groundwater Discharge Permits. An attempt was made to update mailing addresses for interested parties by visiting the websites of interested parties if mail was returned after the July or August PN2.
- The governor, chairperson, or president of each Indian tribe, pueblo or nation within the state of New Mexico were identified using contact information provided by the New Mexico Indian Affairs Department (<https://www.iad.state.nm.us/>) as well environmental departments stating interest in receiving all permitting notices published by the GWQB and can be found on rows 12 - 43. The Pueblo of Acoma has requested to receive listserv Bulletins in lieu of physical mail (please see attached correspondence).
- Contact information for local, state, or federal governmental agencies identified can be found on rows 2-11 and 53-68.
- Contact information for land grants identified can be found on rows 75-103.
- Contact information for ditch associations identified for the initial mailout can be found on rows 69-74.

On October 10, 2019, contact information for additional ditch associations was provided by the New Mexico Acequia Association. The list was reviewed by Stephen Pullen who identified the ditch associations listed on rows 132-166. These ditch associations were sent a physical copy of the Hearing Notice by physical mail on October 11, 2019. All ditch associations providing an email address received the GovDelivery email Bulletins described below.

The GovDelivery Bulletin for DP-1132 Hearing Notice was sent by email on October 11, 2019. Please see attached for Bulletin and emailing record.

When the DP-1132 Administrative Record was initially made available on the Department's website on October 18, 2019, a GovDelivery Bulletin was sent. Please see attached for Bulletin and emailing record.

When the additional records were added to the DP-1132 Administrative Record and made available on the Department's website on October 29, 2019, a GovDelivery Bulletin was sent. Please see attached for Bulletin and emailing record.

Thank you and please let me know how I may be of assistance,

Lochlin Farrell
