Subject: Draft WIPP Permit, Att B1 Comment

Dear Mr. Zappe:

Footnote "a" to Table B1-8 of the draft WIPP permit appears to be poorly worded. If you did repackage, does it say that you may still not know what you have?? Or does it say that if you did repackage and cannot fit into one of the packaging groups, then you default to Group 3, 6, or 8?

Respectfully,

Tom Johnsen
