

STATE OF NEW MEXICO
WATER QUALITY CONTROL COMMISSION

IN THE MATTER OF
Enterprise Products Operating, LLC,
a Texas limited liability company,
Respondent.

Case No. WQCC 15-05 (CO)

STIPULATED FINAL ORDER

Pursuant to authority vested under the New Mexico Water Quality Act ("WQA"), NMSA 1978, §§ 74-6-1 to 74-6-17, the Ground and Surface Water Protection Regulations ("Regulations"), 20.6.2 NMAC, and 20.1.3.22 NMAC, the New Mexico Water Quality Control Commission hereby issues this Stipulated Final Order to resolve the Administrative Compliance Order ("ACO") issued to Enterprise Products Operating, LLC ("Respondent") on April 17, 2015.

Pursuant to 20.1.3.22(B) NMAC, the Oil Conservation Division of the New Mexico Energy, Minerals and Natural Resources Department ("OCD") and Respondent have entered into a Settlement Agreement, which is submitted herewith as Attachment 1. The Settlement Agreement is a compromise of a disputed claim and resolves the ACO issued to Respondent and the violations of the WQA and the Regulations alleged in the ACO.

For the purposes of this Stipulated Final Order, Respondent admits to the jurisdictional allegations of the ACO and the Settlement Agreement and consents to the relief specified in the Settlement Agreement.

IT IS THEREFORE ORDERED that the Settlement Agreement is hereby approved and the Parties shall comply with the terms and conditions of the Settlement Agreement, which are hereby incorporated into this Stipulated Final Order.
