On April 28, 2016, D&G Price Limited Partnership filed a "Petition for Alternative Abatement Standards Former Price's Valley Gold North Dairy, Bernalillo, Sandoval County, New Mexico" ("Petition") with the Administrator for the Water Quality Control Commission ("Commission"). During its regular meeting on May 10, 2016, the Commission determined that a public hearing shall be held on the Petition, and authorized the Chair to appoint a Hearing Officer for the public hearing before the Commission. The Chair appointed Jeffrey N. Holappa, Administrative Law Judge for the New Mexico Environment Department, to serve as Hearing Officer on May 12, 2016. The New Mexico Environment Department ("Department") submitted its Response to Petition for Alternative Abatement Standards on June 16, 2016.

20.6.2.4103(F)(3) NMAC provides that the Commission reviews petitions for alternative abatement standards in accordance with the procedures for review of a variance petition provided in the Commission's adjudicatory procedures found in 20.1.3 NMAC. Accordingly, the Hearing Officer hereby issues the following Scheduling Order pursuant to 20.1.3.18(C)(2) and 20.1.3.16(B)(2) NMAC.

2. The alternative abatement standards hearing will be conducted in accordance with the Water Quality Act, NMSA 1978, Section 74-6-5, the Water Quality Control Commission Adjudicatory Procedures found in 20.1.3 NMAC, and all other applicable law.
3. Any person who wishes to present technical evidence at the hearing shall file a statement of intent in accordance with 20.1.3.17(E) NMAC with the Commission Administrator on or before **Friday, September 2, 2016 at 5:00 p.m.**
4. Any person who has not timely filed either an entry of appearance or a statement of intent to present technical evidence may present a general non-technical statement as provided in 20.1.3.18(D) NMAC.

Following the establishment of a prima facie case by the petitioner, any person opposed to the relief sought in the petition has the burden of going forward with any evidence and showing why the relief should not be granted.

8. 20.1.3.20 NMAC outlines the general hearing procedures. The alternative abatement standards hearing will begin with an opening statement from the Hearing Officer followed by the option for brief opening statements by the parties.
