

**STATE OF NEW MEXICO
WATER QUALITY CONTROL COMMISSION**

IN THE MATTER OF:

FINAL DRAFT TECOLOTE CREEK TOTAL MAXIMUM DAILY LOAD

ORDER

THIS MATTER came before the New Mexico Water Quality Control Commission on August 14-15, 2018, at a regularly scheduled meeting. Having considered the proposed Final Draft Tecolote Creek Total Maximum Daily Load, together with the oral presentations at the meeting, IT IS HEREBY ORDERED THAT:

The Final Draft Tecolote Creek Total Maximum Daily Load is approved as revised, adopted, and incorporated into New Mexico's Statewide Water Quality Management Plan and Continuing Planning Process.

ISSUED this 15 day of August 2018.

Larry Dominquez, Chair
Water Quality Control Commission
