SCHEDULING ORDER

The hearing officer hereby sets the following scheduling deadlines:

1. The hearing in this matter is set for December 2-4, 2019, in Santa Fe, New Mexico, beginning at 9:00 a.m. on December 2 and continuing as necessary. The hearing location is currently set for the auditorium on the first floor of the Runnels Building, 1190 St. Francis Drive.
2. The hearing officer will conduct the hearing pursuant to 20.1.9 NMAC, the Department’s Rulemaking Procedures, and all other applicable law.
3. Technical testimony and non-technical public comment will be accepted. There will be multiple opportunities for public comment at the discretion of the hearing officer. A session dedicated to non-technical public comment will begin at 6 p.m. on December 2.
4. Entries of Appearance and Notices of Intent to present scientific testimony must be filed by the close of business on November 15, 2019 with the Hearing Clerk.
5. Section 20.1.9.13 of the applicable procedural rules sets out significant requirements in connection with the presentation of technical testimony, including the necessary qualifications, and the testimony must be pre-filed in narrative form with all exhibits and any recommended modifications to the proposed regulation. The hearing officer may exclude any testimony offered that does not comply with these requirements.

6. No pre-filing is required to present non-technical public comment.
7. Each party is responsible for ensuring their own technical support during the hearing.
8. At the hearing, persons presenting technical testimony shall not read from their pre-filled testimony but shall adopt it under oath and may present a summary of their testimony no longer than 30 minutes before standing for cross-examination. Non-technical public comment may be submitted before or during the hearing.
9. Cody Barnes will be the Hearing Clerk for the Hearing. Filings, exhibits or public comment should be sent to Mr. Barnes. Mr. Barnes's contact information is New Mexico Environment Department, 1190 St. Francis Dr. Santa Fe, New Mexico 87505, (505) 827-2428, or cody.barnes@state.nm.us.
