Information for petroleum storage tank owners and operators

June 16, 2020

To allow for the continued timely review of submittals, the Petroleum Storage Tank Bureau is encouraging its customers to submit documents electronically to PSTB.Inbox@state.nm.us. In addition to submitting documents electronically, notarized documents and paper copies explicitly required by the regulations must continue to be submitted via mail. Note: Notarization can be done by video until June 20, 2020 as outlined in Governor Lujan Grisham's [Executive Order 2020-015](#).

For documents too large to be transmitted by e-mail, please send a link to a cloud-based drive where staff may access the document.

Please direct questions by e-mail to the respective program manager and/or Bureau Chief:

- Dana Bahar, Bureau Chief and Acting Reimbursement (CAF) Manager: Dana.Bahar@state.nm.us or 505-699-4007.
- Lorena Goerger, Remedial Action Program: Lorena.Goerger@state.nm.us or 505-670-9618.
- Joe Godwin, Prevention and Inspection Program: Joe.Godwin@state.nm.us or 505-699-4006.
- Antonette Cordova, Tank Operations and Support Program including Tank Fees, Tank Registration, A/B operator training, Certified Installer (AST, UST, and Junior Installer) and Qualified Tester: Antonette.Cordova@state.nm.us or 505-372-8154.
