*The Environment Department's mission is to protect and restore the environment and to foster a healthy and prosperous New Mexico for present and future generations.*

## **Environment Department to host Los Alamos community engagement meeting November 12**

The New Mexico Environment Department (NMED) will host a virtual Los Alamos community engagement meeting from 5:30 to 7 p.m. on Thursday, November 12.

The purpose of these regularly scheduled meetings is to engage the community in discussion of topics related to NMED's work at Los Alamos National Laboratory (LANL). Thursday's meeting will include brief updates on LANL's proposed venting of tritium-containing mixed waste containers and contamination found at Middle DP Road, two topics of great community interest. There will also be time allotted for questions and brief public statements.

Anyone needing interpretation services or other assistance may contact NMED Department of Energy Oversight Bureau Chief Chris Catechis at 505-388-4639 or [chris.catechis@state.nm.us](mailto:chris.catechis@state.nm.us).
