**Re: Notice of Immediate Closure Pursuant to Public Health Order - Chaparral Materials, Inc.**

Dear Sir or Madam:

Pursuant to the COVID-Safe Practices for Individuals and Employers Guide, which is incorporated by reference in the current Public Health Order, a “rapid response” is conducted whenever a COVID-19 case is identified in a place of business or a high-risk facility or population. As part of the rapid response process, the New Mexico Department of Health requires that the identified entity follow appropriate isolation, quarantine, and infection control protocols to mitigate potential COVID-19 transmission and limit risk to employees and the public.

Section 15 of the operative Public Health Order mandates closure of certain business entities that receive four (4) or more rapid responses within a rolling fourteen (14) day period. Specifically:

Any “food and drink establishment,” “close-contact business,” “place of lodging,” “retail space,” or other business that poses a significant public health risk, as determined by the Department of Health, must close for a period of two weeks following the occurrence of four (4) or more rapid responses within a fourteen (14) day period. For purposes of this directive, rapid responses will be counted on a rolling basis.

Chaparral Materials, Inc, located at 5946 Agua Fria St., Santa Fe, NM 87507, had the following rapid responses related to COVID-19 infections within a 14-calendar-day period:

Response #1: 10/23/2020, 1 COVID-19 infection cited.  
Response #2: 10/26/2020, 1 COVID-19 infection cited.  
Response #3: 10/27/2020, 1 COVID-19 infection cited.  
Response #4: 10/29/2020, 1 COVID-19 infection cited.

**Upon receipt of this Notice, Chaparral Materials, Inc. must immediately close all business operations at the location of the rapid responses cited above for fourteen consecutive calendar days, in accordance with the Public Health Order issued October 22, 2020.**

Chaparral Materials, Inc. must immediately cease operations at this location through November 16, 2020. Chaparral Materials, Inc. may resume normal operations at this location on November 17, 2020.

In addition, Chaparral Materials, Inc. will appear on the Rapid Response COVID-19 Watchlist under the “Rapid Response Closure” tab on the New Mexico Environment Department’s (NMED) website for the duration of the fourteen-day closure. The NMED will also include your business/organization and location in a daily press release and social media updates during the fourteen-day closure.

**Failure to comply with this directive may result in substantial monetary penalties in accordance with the Public Health Emergency Response Act, NMSA 1978, §§ 12-10a-1 to -19, and may further subject you to criminal penalties or civil judicial enforcement, or both. The failure to comply with this and other directives of the Public Health Order may also subject you to other penalties under applicable state laws.**

While your operations are suspended at this location, you are encouraged to have all your employees tested for COVID-19. To find a COVID-19 testing center near you, please visit: <https://cvprovider.nmhealth.org/directory.html>. Additional resources can also be found at <https://cv.nmhealth.org> and <https://www.env.nm.gov/nmed-resources-for-covid-19/>.

A representative from the New Mexico Department of Health, the New Mexico Environment Department or other applicable state agencies will contact you to discuss COVID-safe practices and provide guidance to prevent workplace exposure. Please be prepared to provide information on additional measures you have taken or plan to take to prevent additional positive cases.

Sincerely,

---
